Instructions:

On white CS, stamp Summer Love (30-320) image with black ink. Color with watercolor markers. When dry, fussy cut and set aside.

Die cut panel using the frame die from Frame & Pattern (51-065).

Temporarily adhere the panel on a craft sheet or scrap paper. Cover and temporarily adhere the stencil Dotlets (25-007) over the panel. Using white texture paste, carefully scrape over the stencil until it's covered. Once you are finished, set the panel to dry and wash the stencil with soap and water.

On black card stock, stamp and emboss a sentiment from Happy Snippets (30-358). Trim the card stock to create a small rectangular strip.

To assemble: Add panel to card base with foam adhesive. Adhere the Summer Love image to the card. Adhere the sentiment below the stamped image.
