- Starting from the side of the panel, add Distress Ink over the image blending from dark to light. For this card, Therese used Candied Apple, Carved Pumpkin, Wild Honey and Squeezed Lemonade.
- Die cut several times and adhere together the Dream die from the set Envision (51-108). Add shimmer using a clear sparkle pen to the top layer. Adhere the die cut to the panel positioned a little over the embossed image.
- Add sequins.
- Adhere to side folding card base with foam tape.
