

Penny Black PROJECT GUIDE

SIMPLICITY Sister: Francine Vuillème

Penny Black Products Used: 30-336 Buddy & Duck, 30-358 Happy Snippets, 51-033 Silver Linings

Additional Products: white cardstock, black hybrid ink, blue ink, Copic markers, black marker, ink blending tool, Post-it tape/masking paper, scissors, bone folder, scoring board, foam pads, thin foam pads or 3D glue

Instructions:

1. Create a top-folded card base from white cardstock using a scoring board and a bone folder.
2. Mask the bottom of the card front with Post-it tape or masking paper.
3. Sponge blue ink lightly over the background to create a gradient inked background then remove the mask.
4. Die cut the clouds from white cardstock and adhere them to the card front with foam pads.
5. Stamp the sentiment with black ink.
6. Stamp the image twice on white cardstock.
7. Color the first image but make sure to color the umbrella in a dark shade, for example dark grey.
8. Cut the image out with scissors (leave a small white edge around the image).
9. Only color the umbrella of the second image. Fussy cut the umbrella (without a white edge around).
10. Go around the umbrella's edges with a black marker to hide any white bits.
11. Adhere the duck to the card front using foam pads.
12. Adhere the umbrella to the image using thin foam pads or 3D glue to create a 3D paper piecing.
