Instructions:

Stamp the Mimi the Mermaid (4186K) image with black ink on watercolor paper. Color the Mimi image. For this card, Therese used both Clear Color watercolor brush markers and Inktense pencils. When dry, add clear sparkle on Mimi's mermaid tail. Fussy cut the image.

Selectively stamp multiple times the fish from the whole stamp image. Color and fussy cut. Set aside.

On a watercolor paper panel, create a blue background using hues of aquamarines, purples and blues. For this card, Therese used Gansai Tambi WC set.

Add white paint splatter.

On a vellum strip, stamp sentiment from Snippets (30-283). Heat and emboss with clear EP. Wrap the strip around the panel.

Add Mimi and the fish to the panel.

Adhere the panel on a white card base using foam tape.
