

Penny Black PROJECT GUIDE

SIMPLICITY Sister: Mayline Jung

Penny Black Products Used: 51-228 Scroll Hello die

Additional Products: White Cardstock, Black Cardstock, 3D foam tape, Acetate, and Sequins

Instructions:

Create an A2 sized panel from white cardstock.

Cut out the white panel (it's going to be a shaker window) and a black cardstock using the Scroll Hello die.

Cut a piece of clear acetate larger than the shaker window cutout.

Adhere the acetate to the white panel.

Add foam tape around the entire border of the window cutout.

Add sequins in the window and adhere the panel to card base.

Adhere the black die-cut over the acetate window.
