Additional Products: white cardstock, black ink, Distress inks, Copic markers, blending tools, bone folder, scoring board, trimmer, scissors, glue, foam pads, sequins

Instructions:

1. Create a top-folded card from white cardstock.
2. Lightly blend Distress inks over the card front in the right corner using blending tools to create a rainbow background.
3. Splatter water over the sponged background and let dry.
4. Stamp the image in black ink on white cardstock, color and cut out with scissors.
5. Stamp the sentiment in black ink on white cardstock and cut around.
6. Adhere the image on top of the rainbow background using foam pads for more dimension.
7. Adhere the label with the sentiment with foam pads.
8. Add three sparkly sequins using glue.
