Mowed Lawn, Perfect pearls mixed with water in a spray
bottle, VersaFine Onyx Black ink, Gansai Tambi
watercolour paints - Teal, Gray, Paintbrush, 3D
mounting foam, Heat tool

Instructions:

1. Create a square panel from watercolor card stock that is smaller than the finished white card base.
2. Turn the PB Scented Beauty rubber stamp over so it is face up, and using Distress Markers, color onto the rubber stamp - Picked Raspberry for the flowers and Mowed Lawn for the leaves.
3. Using a spray bottle that has Perfect Pearls mixed in with the water, spritz the colored rubber stamp several times from above so that it has a fine misting of water on it.
4. Stamp this colored stamp onto the watercolor panel towards the right hand side. Dry with a heat tool. The flowers and leaves have a subtle shimmery shine in real life.
5. Paint a light watercolor wash around the floral image using a pale teal color from Gansai Tambi watercolor paints. Dry panel with a heat tool.
6. Using a paintbrush and some watered down gray paint from the Gansai Tambi set, flick on some splatters over and around the floral image. Dry with a heat tool again.
7. Stamp the You are Wonderful sentiment from the PB Stitched Flowers set in VersaFine Onyx Black ink.
8. Mount the panel onto a square white card base with 3D mounting foam.
