Instructions:

Using Versamark ink, stamp the background stamp, Elaborate (40-489) on white cardstock.

Heat and emboss gold embossing powder on the image.

Create a gradient background using various hues of blue Distress Ink. Start at the top of the panel using dark colors and ending with the lightest on the bottom. Trim the panel smaller than a A2 top folding card.

Die cut several times the word "Joy" from the set Love and Joy (51-021). Adhere them all together.

Add shimmer to the die cut using a clear sparkle pen.

Add the panel to the card base.

Adhere the die cut to the card and add glossy accents.

Add clear sequins to finish off the card.
