Instructions:

Begin with a A2 size card in soft pink. Set aside.

Cut a panel from a piece of white cardstock 4 x 5.25". Stamp image to the front of this panel. Stamp the same image to a piece of masking paper and cut it out. Place the mask directly over the stamped image. Set aside.

Create a stencil by cutting a 3.5" circle out of a 4.25 x 5.5" piece of vellum.

Layer the vellum stencil over the masked image on the panel in the desired location. Sponge desired amount of ink in the negative space. Remove the stencil and save for use on a later project.

Remove the mask from the image. Color the image as desired with Prisma pencils, blending with Gamsol and a blending stump. Stamp sentiment to the lower right section of the panel.

Attach panel to the card base using double stick foam tape.

Finish by covering image with Wink of Stella as desired.
