

Penny Black PROJECT GUIDE

SIMPLICITY Sister: Mayline Jung

Penny Black Products Used: 51-169

Metropolitan, 51-171 Nature's Beauty, 30-261 Nature's Friends

Additional Products: white cardstock; VersaFine ONYX Black ink; ink-blending tool; Distress ink – evergreen bough, spiced marmalade, mustard seed; double tape and 3D foam tape

Instructions:

Create an A2 sized panel from some white cardstock.

Blend in a gradient of color using Distress inks and an ink-blending tool on other white cardstock.

Die cut the buildings from blended paper using the 51-169 Metropolitan.

Die cut the deer and tree using the 51-171 Nature's beauty die with some white cardstock.

Adhere the buildings outlined paper onto the top of the panel as you can see by photo above.

Adhere the deer and trees on the panel with double tape and 3D foam tape.

Stamp a sentiment in black ink from 30-261 Nature's friends stamp set.
