Penny Black Products Used: 51-276 Sled N Skis, 30-297 Sprinkles and Smiles

Additional Products: Cream Cardstock, Gray and Red Dye Ink, White String, Double Stick Foam Tape

Instructions:

Begin with a cream A2 size card. Set aside

Cut two panels from cream cardstock: 3 1/2 x 4 3/4 and 3 3/8 x 4 1/4.

Stamp sentiment on the smaller panel by masking the word "you" to keep it clear from ink while you apply gray ink to the rest of the sentiment.

Stamp "you" on the smaller panel in red ink by masking the remainder of the sentiment to keep it clear from ink.

Glue the two top panels together then attach them to the card front using foam tape.

Cut two sleds and glue them together for added dimension. Assemble the sled.

Cut a length of white string and dye it with the same red ink you used for the sentiment. After it is completely dry - tie it to the assembled sled.

Attach the sled to the card front using foam tape.
