## Instructions:

On a watercolor paper panel, partially stamp the cling stamp, First Blush (30-543) using Antique Linen Distress Ink.

Color the flower image with watercolor pencils. Allow to dry.

On a separate piece of watercolor paper, watercolor the paper with a wide brush to create an ombre effect from dark to light. Allow to dry.

Die cut the Love sentiment from the Love and Roses (51-405) die set.

With a pencil, lightly draw a line on the panel marking where the sentiment will be placed.

Stamp and clear emboss "always" from the clear set Spiritual Snippets (30-404) towards the bottom rights of the line.

Adhere the die cut sentiment with foam tape. Erase the pencil drawn line.

Adhere and trim the watercolor panel to a white card base.

Add clear sequins to finish off the card.
