Penny Black Products Used: 40-535 Magnolia Rhapsody, 30-358 Happy Snippets, 51-114 Flower Portrait

Additional Products: Dual Brush Markers (Tombow); Versamark Ink (Tsukineko); White Embossing Powder; Bristol Paper; Misti Stamp Positioner (My Sweet Petunia)

Instructions:

Place Bristol Card panel in Stamp Positioner. Secure the paper with magnets.

Position the cling stamp, Magnolia Rhapsody (40-535), over the card panel.

Color directly on the stamp using water based markers. After each section colored, lightly mist the stamp with water. Stamp the panel. Do this repeatedly until you are satisfied with the color intensity.

Die cut the Flower Portrait (51-114) frame 3x from Bristol Paper. Adhere them together.

On black cardstock, stamp sentiment from Happy Snippets (30-358) using Versamark ink and heat emboss with white embossing powder. Trim to create a small sentiment strip.

Adhere the card panel to card base.

Center and adhere the frame on the panel.

Add the sentiment strip at the bottom right of the frame.
