Instructions:

Begin with a white A2 size card.

Stamp image directly to the card face allowing the image to line up right to the left side of the cardstock. Trim 1/4 " from the left side of the card - cutting off the far left tip of the scarf.

Color the image as desired using Prisma Colored Pencils.

Stamp the scarf to a piece of the pink patterned paper. Cut the pieces out. Add shading to the pieces using Prisma Colored Pencil. Glue the scarf pieces to the card face.

Using a cotton ball or sponge rub a faint cluster of clouds in the upper right corner of the card.

Using a cotton ball or sponge rub a light covering of chalk over the grass under the little aviator's feet.

Add a Wink of Stella anywhere you would like some shimmer.
