## Instructions:

Create an A2 sized panel from watercolor paper .

Stamp images from 30-478 Sublime stamp set in black ink on the watercolor panel.

Color the images with watercolor paints (You do not need to fill the area only one color. You can be loosely applied two or three colors in one area. Mayline started with lighter tones to fill out the area and added darker tones on the same area before the paper dries. Also, Mayline layered in colors on the painting surface.)

Stamp the sentiment from 30-478 Sublime stamp set using black ink on the panel.
