

# Penny Black PROJECT GUIDE

**SIMPLICITY Sister:** Patti Kehl

**Penny Black Products Used:** 51-409 Ribbon Stackers, 51-421 Flower Flourish, 30-162 Eloquence, 30-481 Radiant/ 51-409 Ribbon Stackers, 51-339 You Enjoy, 30-242 Way Cool!

**Additional Products:** White cardstock, Black Dye Ink, Turquoise Dye Ink, Versamark Ink, White Embossing Powder, two Pearls, Craft Glue, Double Stick Foam Tape, Sponge, Heat Gun

## Instructions for card #1:

Cut one each of the following elements from White Cardstock: A-2 sized card base, 5.5 x 4.75" panel, Flower Flourish die, second largest "ribbon" from Ribbon Stackers die.

Randomly stamp flowers from Radiant stamp set on to the 5.5 x 4.75" panel using Versamark Ink. Emboss with White Embossing Powder and heat set. Sponge desired amount of color on to the embossed panel using Turquoise dye ink. Cut Ribbon Stackers from panel and set aside both the center piece and the ribbon for use on card#2. Tape the plain white ribbon previously cut to the panel and set aside.

Stamp the sentiment directly on to the A-2 card face with black dye ink - being conscience of the placement of the sentiment once the panel is in place. Attach the panel to the card face using double stick foam tape. Glue Flower Flourish in place with craft glue and embellish flower centers with pearls.

## Instructions for card #2:

Cut one each of the following elements from White Cardstock: A-2 sized card base and You Enjoy die.

Stamp the sentiment directly on to the A-2 card face with black dye ink. Take the two pieces of embossed/colored dies left over from cutting the panel on card #1 and tape the ribbon and center together. Attach to the card face using double stick foam tape. Attach the die cut sentiment to this element using craft glue.
