Instructions Card #1:

Stamp Tranquil Buds on paper with black ink. Color with colored pencils. Die cut the panel with the largest die in the Antique Frame set and leave the die cut panel in the die. Sponge Distress Oxide Ink in Antique Linen while keeping the die on the panel. When you have sponged the ink, remove the die to show white border around the die cut panel. Stamp the sentiment with black ink. Cut the patterned paper to the size of the card blank and adhere to place, then adhere the die cut panel to the card.

Instructions Card #2:

Follow the steps for Card #1, but color your image with watercolor markers. After the colored image has dried, load a small watercolor brush with a bit of water and ink from your watercolor marker and add tiny splatters of color to your colored image.
