Stamp the image and color with Zig Clean Color Real Brush Markers. Die cut the frame from soft peachy pink cardstock and adhere to image. Using your scissors, cut any white cardstock showing from around the frame. Die cut the leaves from patterned paper and the tag from cream colored cardstock. Use the sentiment that comes with the stamp set but only ink the word 'love' and stamp on the tag. Cut the patterned paper for the background to size and adhere to your card blank. Adhere the stamped and framed image. Adhere the die cut leaves and the tag. Tie a tiny bow with the twine and adhere to place.
